Comments-Draft_Notification_TPP_Debadityo_Sinha.pdf (4.2 MB)

Dear Dr. Rashid Hasan,

It is welcome step of Ministry of Environment, Forests and Climate Change to bring out the draft notification on emission standards for coal based thermal power plants. However, the same needs many improvements and additions. Please find attached the document which contains my comments and suggestions on the draft notification.

It is hoped that the issues and concerns discussed in this document and other such representations will be considered by the Ministry in the final notification. Any feedback and query is most welcome.

Kindly acknowledge the receipt of this email.
